

## What will you choose to do?

- Search the web to find out about a famous boat or ship. Make an information book by writing down interesting facts, downloading images or making drawings. Famous ships to choose from include *RMS Titanic*, the *Santa Maria*, the *Cutty Sark* or *HMS Belfast*.
- Design and make a boat. What materials will you use? What shape will your boat be? What name will you give it?
- Read online story books or information books about the sea. Write or film a book review about your favourite.
- Make a pirate treasure chest using a lidded box and other recycled materials. What will you keep in your treasure chest?
- Write a letter to Captain Longbeard to tell him what you have been up to at school and home. You might want to invite him to visit!
- Make a map of your home and local area to show all the main features. Include physical landmarks such as beaches, hills or parkland as well as human features such as shops, play areas or piers. Where would be a good place to hide treasure? Can you plot a route to find it?
- Find and learn some pirate jokes. Practise reading them at home to perform to family and make your pirate friends laugh!
- Look online at holiday destinations around the world. Which seas or oceans are close to each destination?  
Locate them on a world map, noting their location in relation to the Equator and the North and South Poles. How does the location affect the weather? Where would you most like to go?
