

Dear Year 6,

We have been very pleased with the work that we have seen on Class Dojo during lockdown; some of you have been working incredibly hard at home! It seems a long time since we saw you all (almost 3 months in fact) and finally it is time for some of you to return to school; we cannot wait to see you!

When you do come back, there are some things that will look a bit different to what you are used to but it is nothing for you to worry about; we will still be using all three Year 6 classrooms, with the addition of Mrs Whitelaw's classroom too.

All of the adults in school have been working really hard to make sure that everything is as clean and safe as it can possibly be. As you can see, there have been quite a few changes. You will have your own desk, which is placed at least two metres away from another desk and

you will have a pack of your own equipment including a pencil, a rubber, scissors, glue, pencil crayons etc...

Normally, we would encourage you to share; however, for now, you are the only person who will be allowed to use your equipment. This might seem a bit strange at first but you will get used to it and it is what we all need to do to keep our 'bubble' safe.

Your 'bubble' (group) will have far less children in it than would be in your class; in fact, there are currently only six or seven children in each one. You should know all of the staff (the Year 6 team, along with Mrs Whitelaw, Mrs McNab, Mrs Thomas and Ms Compston) and the children in your bubbles, but they are a mixture of both classes.

Break times and lunchtimes will be a little different too as you will not be able to play outside with children from other bubbles and you will be eating inside your new classrooms.

Your bubble will be your 'team' for the next five weeks and it is really important that you all get along, that you treat each other in the way you would like to be treated and that you support one another as we learn together in our new surroundings.

Please remember to bring your named coat on a cold or wet day and apply sun lotion before coming to school if it is warm. Please, please, please, do not bring anything else with you, other than a packed lunch if you usually have one!

We are very excited to see you on Thursday 18<sup>th</sup> June. Enjoy your weekend.

Lots of love,

The Year 6 Team 😊

PS. There will be a dojo awarded on Thursday for every language feature that you can spot in our letter!
