The Best That We Can Be

Thursday 1st April 2021

HEADTEACHER'S MESSAGE BOARD

Hello Devonshire,

I hope you are all keeping safe and well.

We have reached the end of a challenging term. I'd like to begin by thanking all the Devonshire family for their support and commitment to not only providing the very best education for our pupils but also for maintaining the high safety standards we have set ourselves.

It has been wonderful to have all the pupils back in school. They continue to be a credit to yourselves – working hard, behaving extremely well and being courteous and polite at all times. The staff are working tirelessly to catch up on any lost ground the pupils may have lost during lockdown.

Today we have seen another example of the creative ways in which we engage our pupils. Dinosaurs have taken over Devonshire Primary Academy!

School Reopens

Monday 12th April 2021

5MT have been busy this week practicing their compass skills and drawing them in the playground.

1T have been having some fun in the sun on our new play equipment.

PIC-COLLAGE

Devonshire Primary Academy News

You've got to be joking!

The world has become a strange place over the last year, so this has not come as a surprise! Last night between 4.45 and 5.00 am we had an intruder alert on our systems and CCTV caught the amazing footage!

A.Jester, a world renowned palaeontologist has messaged the school saying he believes that the dinosaur could have been released from its sleep by the recent volcano eruption in Finland.

He believes it is not dangerous but may be looking for somewhere to lay its eggs!
We believe 6B may have more information about this amazing sighting!

1T have been mixing paint to create different colours and painting a memory.

Joke of the Week!!

What is the Easter Bunny's favourite music?
Hip-Hop!
