The displays around our Academy are of a high quality and reflect diversity across all aspects of equality of opportunity and are monitored frequently.

### ***Monitoring and Review***

Devonshire Primary Academy is an inclusive Academy, working towards greater equality in the whole Academy community. We use the curriculum and teaching to enhance the self-esteem of all those the Academy serves and to provide a learning environment in which each individual is encouraged to fulfil her or his potential.

We make regular assessments of pupils' learning and use this information to track pupils' progress, as they move through school. As part of this process, we regularly monitor the performance of different groups, to ensure that all groups of pupils are making the best possible progress. We use this information to adjust future teaching and learning plans, as necessary.

Resources are available to support groups of pupils where the data suggests that progress is not as good as it should be. The Governing Body receives regular updates on pupil attainment.

Academy performance data is compared to national data and local authority data, to ensure that all pupils are making appropriate progress when compared to all schools, and to schools in similar circumstances.

As well as monitoring pupil performance in, we also regularly monitor a range of other information. This relates to:

- Attendance – absence, both authorised and unauthorised – school achieves more than 95% attendance
- Exclusions and truancy
- Racism, disabilism, sexism, homophobia and all forms of bullying
- Participation in extended learning opportunities
- Parental involvement

Our monitoring enables us to identify any differences in pupil performance and provide specific support as required, including pastoral support. This allows us to take appropriate action to meet the needs of specific groups in order to make necessary improvements.

Devonshire Primary Academy is also committed to providing a working environment free from discrimination, bullying, harassment and victimisation. We aim to recruit an appropriately qualified workforce and establish a Governing Body that is representative of all sections of the community in order to respect and respond to the diverse needs of our school population.

Due regard is given to the promotion of equality in the School Improvement Plan. The person responsible for the monitoring and evaluation of this policy and action plan is the Head teacher. His role is to:

- lead discussions,
- organise training,
- update staff in staff meetings,
- support discussions.
- work with the Governing Body on matters relating to equality.
- support evaluation activities that moderate the impact and success of this policy.

### ***Developing Best Practice***

- use a range of sensitive teaching strategies when teaching about different cultural and religious traditions.
- develop pupils' advocacy skills so that they can detect bias, challenge discrimination, leading to justice and equality.
- ensure that the whole curriculum covers issues of equality and diversity.
- all subject leaders promote and celebrate the contribution of different cultures to the subject matter.
- seek to involve all parents in supporting their child's education.
- provide educational visits and extra-curricular activities that involve all pupil groups.

- take account of the performance of all pupils when planning for future learning and setting challenging targets.
- make best use of all available resources to support the learning of all groups of pupils.
- identify resources and training that support staff development.

### ***Learning Environment***

There is a consistently high expectation of all pupils regardless of their gender, ethnicity, disability, religion or belief, sexual orientation, age or any other recognised area of discrimination. All pupils are encouraged to improve on their own achievements and not to measure themselves against others. Parents are also encouraged to view their own children's achievements in this light. All pupils/staff/parents/carers will be given support, as appropriate, should they experience discrimination. We recognise that perpetrators may also be victims and require support.

Positive role models are used throughout our Academy to ensure that different groups of pupils can see themselves reflected in the Academy community. Emphasis is placed on the value that diversity brings to the Academy community rather than the challenges.

### ***Staffing and Staff Development***

We recognise the need for positive role models and distribution of responsibility among staff.

This must include pupils' access to a balance of male and female staff where possible.

We encourage continuous professional development of all Academy staff. We provide staff with training and development, which will increase awareness of the needs of different groups of pupils. Access to opportunities for professional development is monitored.

It is our policy to provide staff with training and development which enables them to carry out their roles and responsibilities in relation to equality as identified as explained in 'Roles and Responsibilities'.

## **Appendix 1**

### **Race**

The term race includes colour, ethnic origin, nationality, national origin and citizenship as well as race.

Reporting racist incidents in schools - Schools in Blackpool are required to have in place a procedure for dealing with and reporting racist incidents.

### **Disability**

What is a disability?

Disability is a physical or mental impairment which has an effect on a person's ability to carry out normal day-to-day activities. That effect must be:

- substantial (more than minor or trivial)
- adverse
  
- long-term (it has lasted, or is likely to last, for at least a year or for the rest of the life of the person affected).

There is no need for a person to have a specific, medically-diagnosed cause for their impairment – what matters is the effect of the impairment, not the cause.

Examples include hearing or sight impairments, a significant mobility difficulty, mental health conditions or learning difficulties. There are many other types of condition, illness or injury that can result in a person being disabled (e.g. diabetes, asthma, cancer, arthritis, epilepsy, multiple sclerosis, heart conditions, and facial disfigurement).

### **Gender**

The term gender includes boys, girls, men and women, and transgender/transsexual people.

Sexual orientation is a distinct protected characteristic.

(The term transgender refers to a range of people who do not feel comfortable with their birth gender).

### **What is the difference between sex and gender?**

Sex refers to biological status as male or female. It includes physical attributes such as sex chromosomes, gonads, sex hormones, internal reproductive structures, and external genitalia.

Gender is a term that is often used to refer to ways that people act, interact, or feel about themselves, which are associated with boys/men and girls/women. While aspects of biological sex are the same across different cultures, aspects of gender may not be.

### **Sexual Orientation**

Heterosexism is any prejudice and discrimination against individuals and groups who are lesbian, gay, bisexual (LGB) or are perceived to be so. It is based on the assumption that everyone is or should be heterosexual. Expressions of dislike, contempt or fear based on heterosexism are usually known as homophobia, although lesophobia and biphobia are also coming into use.

Whether through institutional practice or personal behaviour, the prevalence of heterosexism is likely to mean that LGB people feel excluded and unsafe. This effect can be mitigated by an actively welcoming and supportive environment.

Sexual orientation is defined as an individual's sexual orientation towards people of the same sex as her or him (gay or lesbian), people of the opposite sex (heterosexual) or people of both sexes (bisexual).

### **Transgenderism and Gender Re-Assignment**

Transgender is an umbrella term used to describe people whose gender identity or gender expression differs from that usually associated with their birth sex. Gender re-assignment is the process a transgender person goes through to change sex.
